Case No. 07 cv 2237 JLS (WMc)

**NUNC PRO TUNC**

**PETITIONER'S: FEB 19 2008**

**MOTION FOR  
EXTENSION OF TIME**

Petitioner, JuanJose Martinez-Madera, humbly requests and moves this Court for an Extension of Time of 1 (one) month in the filing of his Traverse to the government's opposition to my Writ of Habeas Corpus Petition civil file case No. 07 cv 2237 JLS (WMc) for the following reasons:

1) I am Pro Se, 2) I am not a legal expert, 3) I am not a fast typist, 4) I am not a computer expert  
5) Lack of adequate access to the law-library here and/or resources at these detention facilities associated with our legal efforts and struggles. At times, up to 740 detainees here must share only 5 computers (only 3 of those connected to a printer) and only 4 typewriters. There are times that we come to the law-library but cannot access neither a computer nor a typewriter. 6) Access time to the law-library is also very super-limited and very, very restricted, 7) These places are being run in an overly exaggerated, restrictive manner to the point that we cannot even have a pen to write with and they cancel our library access for any reason. 8) According to the Court's deadline schedule my Traverse is due on February 29, 2008. I received the very voluminous government's opposition to my Writ of Habeas Corpus and need to go through it carefully for a proper answer.

Due to the above reasons, petitioner respectfully requests and moves this Court that this Motion for Extension of Time be granted.

Thank you!

Respectfully Submitted,

Dated this: February 10, 2008
